

Co-Curricular Activities

(Activities available dependent upon demand)

There are a large number of co-curricular activities each week that are run by school staff and are free of charge. There may be additional charges for examinations. Where activities are supervised by outside agencies or use materials brought in specially for this activity, a cost is passed on to students attending the activity. A full list of co-curricular activities and any associated prices are given to students and they are able to sign up for these with their Tutor at the start of the Autumn Term. Details can be found at www.cobhamhall.com/co-curricular

Sunday Activities

All Boarders pay a fee of £117.00 per term which includes entrance charges where applicable. This fee is payable whether or not the student takes advantage of such opportunities. Day Students who wish to participate in these activities will need to pay per trip, and this will vary depending on entrance charges, if applicable.

Co-Curricular Activities

Charges are calculated on the annual cost of tuition, **based on thirty half hour sessions per year unless otherwise stated**. Charges are invoiced termly in arrears. **One full term's notice in writing** to the Deputy Headmistress must be given if a girl wishes to discontinue her tuition. If a full term's notice is not received, the School reserves the right to charge full fees in lieu of the term's notice. There may also be additional charges for examinations.

Charges per term (unless otherwise specified) - effective from 1st September 2020

Musical Instruments & Singing	£225.00
-------------------------------	---------

Where the School engages external tutors, prices may vary. Parents will be informed before lessons are arranged. Note: In special circumstances, and where there is demand, lessons can be arranged for a longer duration in consultation with the Head of Music.
