SCHOOL MINIBUS SERVICES

Cobham Hall provides students with seven minibus routes and a shuttle service from local train stations. Morning departure times for each service are listed below. Each returning minibus departs the School at 4:30pm, with a further service at 6:30pm to allow for After School activities.

The cost is dependent upon distance travelled. Pick-up points within 2.5 miles of Cobham Hall fall in Zone A, those 2.5 to 5 miles from the School are Zone B, while everything beyond is Zone C.

Please ensure that your child arrives at the morning departure point 5 minutes prior to the departure time. The driver is instructed to leave on time and will not be able to wait for latecomers, or check to see if you are on your way. This also applies to the return journey when the driver will not be able to wait if there is no one to meet your child (unless you have instructed the Travel Co-ordinator that they are able to make their own way onwards). The driver will continue on the route and try to contact you at the last stop. In the event that they are unable to reach you, your child will be brought back to School.

If your child is not going to be using the bus on a particular day, please send a text message to the driver. **Contact should only be between the parents and the driver and NOT the pupil and the driver.**

Storage space for bags is limited, and it would be helpful if your child could avoid bringing everything for the entire week on a Monday morning.

In the event of snow/adverse weather conditions, you will be contacted by the School regarding the procedure.

If you have any other queries or concerns please do not hesitate to contact the School.
