Educational Guardianship Policy

1. Introduction

Cobham Hall is part of the Mill Hill school Foundation ('Foundation'). The Foundation has a strong boarding ethos and greatly values the diversity that both its UK and international students bring to the Foundation's community.

We very much value the input and the support of our Educational Guardians. A guardian can provide support for boarders outside of school and boarding, a friendly voice in times of need, and a homely environment outside of school which helps boarders to have a well-needed break at times, as well as providing support at times of crisis.

Under the Children Act 1989, the Foundation is required to safeguard and promote the welfare of students. During term time the Foundation is responsible for a student's welfare and acts in loco parentis. However, there are times when the Foundation must be able to hand over these parental responsibilities to an appointed Educational Guardian. For this reason, the Foundation requires all of its boarding or day students whose parents or legal guardians do not live in the United Kingdom to have Educational Guardians.

In addition to our safeguarding responsibilities as outlined in the Foundation's Safeguarding and Protecting the Welfare of Pupils Policy, the Foundation has particular responsibility under UKVI regulations for international students on our Child Student visa sponsorship, for whom we are responsible while they are living and studying in the United Kingdom.

<https://www.cobhamhall.com/wp-content/uploads/2024/01/Safeguarding-and-Protecting-the-Welfare-of-Pupils-Policy-2023.pdf>

Fundamental to these duties is the responsibility of the school to ensure they know where sponsored students will be staying at all times when they are not in school, be that with a Guardian, in a homestay, or some other arrangement. Guardians must therefore provide details to the Housemaster/mistress of where their ward is staying throughout the duration of their stay when not in school. In addition, the Housemaster/Housemistress will ensure that all safeguarding concerns have been considered (this may include requesting information / consent from parents or the host where the child is staying).

The Foundation may request a change of Educational Guardian or revision of the arrangement if it is felt necessary. It should be noted, for example, that the Foundation does not consider unsupervised stays in hotels or bed and breakfast accommodation to be an acceptable level of accommodation or care.

2. Definitions

In this document, the term 'Guardian' refers to an **Educational Guardian**, which involves a delegation of parental responsibility, usually for short periods of time. This is distinct from a **Legal Guardian**, which refers to a person who is appointed by a court of law to care for a child when a parent or guardian has died, or to a person acting as a guardian of a child's estate. In this document the term 'school' shall refer to the Mill Hill school Foundation school attended by the student.

3. Appointing an Education Guardian

3.1 Guardian Rules

- Guardians are appointed by parents. The Foundation can advise parents on how to find a guardian, if required, but the Foundation does not appoint guardians.
- The appointed Educational Guardian must be over 25 years of age and be permanently resident in the UK; they must be able to be at the Foundation within two hours, if requested.
- The appointed Educational Guardian must be fluent in the English language and be able to always provide a point of contact for the Foundation. If an Educational Guardian is leaving the UK, they and the student's parents should inform the school of alternative arrangements for the student's guardianship in their absence.
- Parents should inform the Foundation if the Guardian is related to the Student and must give details as to how they are related, or whether the Guardian is an AEGIS Accredited or BSA Certified Guardian. The school may undertake checks, including spot-checks, on guardianship arrangements as it deems necessary.
- Ideally the Guardian should be well known to the child and be someone with whom the child feels happy and comfortable staying. An unacceptable Guardian arrangement would be one in which the environment is not warm, welcoming and very much like a family home and/or where numerous young people are staying in one establishment which feels more like a hostel. For many students where the family does not have a suitable contact in the UK, it is expected that the parents will appoint a Guardian via a reputable organisation. It is important to note that the Foundation does not recommend any specific agency or organisation, but would encourage parents to ensure that it is a member of either:
 - [The Association for the Education and Guardianship of International Students \(AEGIS\)](http://www.aegisuk.net/)(<http://www.aegisuk.net/>)
 - [The BSA's Certified Guardian Scheme](https://www.boarding.org.uk/497/about-us/bsa-certified-guardian-scheme) (<https://www.boarding.org.uk/497/about-us/bsa-certified-guardian-scheme>)

In line with National Minimum Standards for Boarding schools (Sept 2022), the school will take appropriate steps to ensure that the guardianship arrangement is promoting the welfare, physical wellbeing, and emotional wellbeing of the boarder. These steps may include contacting Guardians in advance to understand the nature of the accommodation, informing Guardians where appropriate of medical or emotional needs and ensuring that appropriate medical or mental health services are available while a boarder is staying with a guardian, and asking boarders about their experience whilst staying with guardians as part of their regular one-to-one pastoral meetings with boarding staff.

Under no circumstances can a member of school staff act as an Educational Guardian to a student in the Foundation.

- In a crisis, if the Housemaster/Mistress (teaching or non-teaching) or Director of Boarding and Pastoral are unable to contact parents, the Guardian may be needed to give permission for medical care. If neither parents nor Educational Guardian can be contacted, the Housemaster/ Mistress (teaching or non-teaching) acts in loco parentis – as if they were the legal Guardian in the best interests of the child.
- If an appointed Guardian's details change during a student's time at the Foundation, it is the parents' responsibility to ensure accurate updated contact details (telephone, mobile, email and full postal address) are communicated to the students' Housemaster/Mistress (teaching or non-teaching), as soon as possible, in order to ensure continuity of care.
- Guardians must be resident in the UK for the entire duration of the student's stay in Mill Hill schools Foundation Boarding and must have evidence of their right to remain in the UK.
- Guardians must be able to provide the documents listed in clause 4 below.

3.2 **Educational Guardians must:**

- Be over 25 years of age.
- Be resident in the UK for the entire duration of the student's stay in the UK and must have evidence of their right to remain in the UK.
- Be able to be at the school (by car or public transport) within a reasonable timescale, if requested.
- Be competent in the English language and be able to provide a point of contact for the school.
- Not be a member of the Mill Hill Foundation staff.

The Foundation Guardianship Agreement can be found in the Appendix to this policy. Both the Parent(s) of the student and the Educational Guardian must complete and return the consent form before an Educational Guardian can be assessed and confirmed by the Foundation as an acceptable person to undertake the responsibilities outlined in this Policy.

Students who are required by this Policy to have an Educational Guardian will only start at the Foundation when a suitable Educational Guardian has been appointed and the Guardianship Agreement (as set out in the Appendix hereto) has been signed by the parent(s) and the Educational Guardian.

4. Identity Verification

4.1 The Foundation has a duty under the [National Minimum Standards for Boarding Colleges \(Sept 2022\)](#) to undertake appropriate checks on Educational Guardians: “the school [must take] appropriate steps to ensure that the guardianship arrangement is promoting the welfare, physical wellbeing and emotional wellbeing of the boarder.” Any person undertaking the responsibilities of Educational Guardians is required to provide the following documents [for every adult member of the household over the age of 18]. This is required for the purposes of identity verification and safeguarding:

- One form of photographic ID (e.g., Passport, driving license, national identity card).
- One proof of address (e.g., Utility bill, mortgage, or rental agreement).
- Evidence of the right to reside in the UK (e.g., Passport and Biometric Residence Permit card).

4.2 Where the Educational Guardian is appointed by a guardianship agency, the agency will be required to confirm that:

- It has the evidence specified in 4.1 above, which should be in date for immigration documents.
- It has completed all relevant safeguarding checks on the Educational Guardian.
- It is accredited either with AEGIS or BSA.

4.3 A member of the boarding team will endeavour to telephone the Educational Guardian to check the details given on the form and that they are comfortable with the responsibilities they are undertaking. These conversations will be recorded. Where appropriate, the Foundation may require undertaking of home visits of Educational Guardians.

In addition:

- Houseparents will check before a boarder stays with a guardian or host family that they feel comfortable with the arrangements.
- Guardians or host families are informed of any medical or emotional needs of students in their care in advance of their stay.

- Following a stay with a guardian or host family, boarders will be asked by staff directly in one-to-one pastoral meetings about the arrangements in place for guardians.

Where concerns about a guardianship arrangement arise, the school will refer to external agencies as and when required.

If the nominated guardian is unable to fulfil the obligations as described – or if we are unable to make contact with the guardian – Cobham Hall reserves the right to engage the services of an alternative (AEGIS accredited) emergency guardian and any additional charges incurred will be passed on to the student's parents.

5. Guardian Responsibilities

All Guardians must be prepared to undertake, where necessary, the following responsibilities:

- To provide a 24-hour point of contact throughout the Foundation year.
- To be ready to accommodate and take responsibility for the student at short notice in case of emergency or crisis.
- To provide a home-like, safe and suitable accommodation for the student with an appropriate degree of care and supervision when they cannot be accommodated at the Foundation and to liaise with the Housemaster/Mistress (teaching or non-teaching) regarding these arrangements. Occasions are likely to include, but are not restricted to:
 - Leave Weekends.
 - Exeats (half-term breaks) and longer holidays.
 - Days at the start and end of term when a student's flights do not coincide with term dates / times.
 - If a student is ill or injured and needs to recuperate away from the school.
 - If the school requires a student to leave for disciplinary reasons or because the school determines it to be in the student's best interests.
 - Any other occasion when the student is released from the school.
- To make suitable alternative arrangements if they are unable to accommodate the student themselves, and to inform both Housemaster/mistress and parents of the arrangements.
- To liaise with the school over all matters relating to the student's welfare, including pastoral, academic and medical care.
- To act with delegated parental authority in the case of an emergency or crisis and to make appropriate arrangements for medical care.
- To attend important parent and teacher meetings or any other important meetings at the school on behalf of the parents.

To notify the student's Housemaster/mistress (teaching or non-teaching) if the Guardian is planning to leave the UK and to ensure that the student's parent(s) have appointed a suitable replacement/ temporary guardian to act whilst they are outside the UK.

- Guardians should ensure that the welfare, physical wellbeing, and emotional wellbeing of the boarder is promoted while the boarder is in their care. Any concern about a guardianship arrangement will be acted upon immediately by the school and referred to external agencies where appropriate.

6. Private Fostering

Students under the age of 16 who stay with persons in the UK who are not their parents or close relatives for 28 days or more (consecutively) during term-time or school holidays, may be subject to the law on private fostering. The school may be required to contact the relevant local authority to ensure appropriate safeguarding is in place. 'Close relative' for the purposes of UKVI is defined as a person aged over 18 who is the student's grandparent, brother, sister, stepparent, uncle (the brother or half-brother of the student's parent) or aunt (the sister or half-sister of the student's parent).

The Foundation has a duty under the National Minimum Standards for boarding to inform the local authority in which a boarder is staying, should they be staying with anyone who is not a 'close relative' under the definition above for over 28 days. Please note this includes some relatives including cousins which families may consider a 'close relative', but which are not covered by the above definition. In such cases, the Local Authority may visit the family and undertake an assessment in order for the child to continue living with the Guardian. This assessment may involve requesting to meet all adult members of the family.

7. Homestay Arrangements

A Homestay arrangement is where the student's parent(s) appoint a person to take temporary responsibility for the safety and wellbeing of the student, for instance over a weekend or school holidays. This is normally arranged through the Educational Guardian who will be expected to carry out all required safeguarding checks on the Homestay family.

The parent(s) or the Guardian must provide the student's Housemaster/mistress (teaching or nonteaching) with details of the person(s) with whom the student is staying as part of the Homestay prior to the Homestay. These persons must be in the UK for the entire duration of the student's stay with them, be over 25 years of age and have the right to reside in the UK.

The Homestay host must take responsibility for the welfare of the student during their stay; remain contactable at all times; make House Masters/Mistresses (teaching or non-teaching) aware of any welfare concerns and ensure that the student returns to school at the required time.

As with Educational Guardians, the Homestay provider should provide the identity documents outlined in Section 4 of this policy.

8. Approval and Review

This policy will be reviewed annually.

Guardian Regulations

1. A Guardian is normally the nominee of the parents, but the Head reserves the right to refuse to accept the nominee as a Guardian at any time should he/she feel that the person nominated was or has become unsuitable. In some exceptional cases, the Head may require boarders to be under the guardianship of an AEGIS Accredited or BSA Certified Educational Guardian.
2. A Guardian must reside within a reasonable travelling distance of the school and must be able to be at the Foundation within the day. They must have the right to reside in the United Kingdom.
3. A Guardian must be no younger than 25 years of age.
4. A Guardian must attend all important occasions in the student's life at school. These include academic Parents' Evenings that are calendared.
5. A Guardian is expected to **inform the relevant Housemaster/mistress (teaching or non-teaching) if leaving the country at any point during term time** and a temporary Guardian/Responsible Adult must be appointed before the period of absence commences (see page 12 Responsible Adult Form).

6. A Guardian is expected to act in loco parentis in any involvement with the school and to assume the duties and responsibilities which entails providing a home for the student at weekends when required and during any school holidays in which the student is not returning to their home. Students are not permitted to stay in a hotel or residence without a responsible adult present, such adult to be nominated by the parents. If a Guardian is unable to accommodate a student then the student's Housemaster/mistress (teaching or nonteaching) must be informed of this before the holiday commences and any alternative arrangements must be approved by the [Head]/[Housemaster/ mistress (teaching or non-teaching)].
7. A Guardian is expected to assume responsibility for the care of the student if they are suspended or if their removal is required from the school by the Head.
8. A Guardian is expected to assume responsibility for the care of the student if they are too ill to remain at school and on the recommendation of the school Doctor is sent home. Should a student have diarrhoea and/or vomiting, they are required to go home or to their guardian for a period of 48 hours from the last episode, in line with HPA advice, in order to prevent the spread of infection through the boarding house.
9. A Guardian is expected to assume responsibility for the care of the student if the school were to close in an emergency.
10. The school accepts no responsibility for any financial agreement or dealings between the parents and the Guardian.
11. Guardians are expected to attend any induction event that may be held in the Boarding House on the day of the new Student's arrival. If for some reason this is not possible, then a visit to the Housemaster/ mistress (teaching or non-teaching) before half term is a mandatory requirement.
12. Guardians must read and adhere to the norms contained herein, which will be sent to them before the start of term, and which outline important information regarding Guardian responsibilities.
13. Guardians must be prepared to provide character references if requested by the Head.
14. If the student is to stay with a person(s) as part of a Homestay arrangement, the Guardian must notify the Housemaster/mistress (teaching or non-teaching) prior to the Homestay and ensure that the Homestay arrangements comply with the provisions of the Foundation's Guardianship Agreement.

Students who are required by the Foundation's Guardianship Policy to have an Educational Guardian will only start at the Foundation once a suitable Educational Guardian has been appointed and this Guardianship Agreement has been signed by the parent(s) and the Educational Guardian.
